Approve minutes of the September 12, 2016 Plan Commission meeting

Motion (Gallagher/Grunke) to approve Plan Commission minutes of the meeting held on September 12, 2016. Motion carried

Review and consider application for an addition to the existing residence of Michael Porter and Katherine Gehl of 5721 N STH 83, plus two accessory buildings

The architect reported that the applicants proposed to add an addition to their existing residence. Administrator Douglas said the plans meet all of the requirements from a zoning standpoint. There were some questions regarding the removal of trees; however, Forester Lincoln felt there was no significant value to the trees that would be lost and the residents intend to replace and add additional trees.

Motion (Bellin/Keidl) to recommend approval of the application for an addition to the existing residence submitted by Michael Porter and Katherine Gehl of 4800 N Pinecrest Drive. Motion carried

Review and consider application for a remodel, addition and deck on the existing guest house of Joel and Caran Quadracci of 5251 N STH 83

The architect reported that the applicants proposed to renovate an existing guest house to make it an “artist retreat.” Administrator Douglas said the plans meet all of the requirements from a zoning standpoint. The renovated building will remain consistent with the current house and emulate the look of the neighbor’s house to the north. The foundation is in pretty good shape and will be refurbished and reinforced. The chimney is leaning and the roof rafters are sinking – both will be reworked and replaced. The plans are to keep within the existing parameters of being grandfathered.

Motion (Gallagher/Grunke) to recommend approval of the application to renovate an existing guest house submitted by Joel and Caran Quadracci of 5251 N STH 83. *Motion carried*

Review and consider application for a new garage submitted by Chad and Janene Clark of 5162 N Maple Lane

Pete Flichtmeier of Colby Construction reported that the applicants proposed to raze the existing detached garage, reroute the driveway, and build a new detached garage. Administrator Douglas said the plans meet all of the requirements from a zoning standpoint. There will be trees removed; however, they are far enough from the lake that they do not need to be replaced.

Motion (Grunke/Keidl) to recommend approval of the application for a new garage submitted by Chad and Janene Clark of 5162 N Maple Ln. *Motion carried*

Review and consider action on a Certified Survey Map submitted by Michael and Victoria Morrison of W307 N5525 Anderson Rd, Merton, being a part of the Northwest ¼ of the Northwest ¼ of Section 34, Township 8 North, Range 18 East Town of Merton, Waukesha County per Village Code 6.18 (16) extraterritorial jurisdiction
