Forestry Updates

As the snow continues to fly, the Village will be out plowing driveways for those who have paid the annual fees for 2018. Please make sure that you have a 10'x10' clearance around your driveway for the snowplows and emergency first responders can safely access to the house and driveway. This includes things like trees, brush, landscaping rock, yard supplies, etc. Please allow 6-8 hours after a snowstorm for your driveway to be sufficiently plowed. For snowfalls less than 2", flat driveways may not be plowed as we will be focusing on plowing out the main roads and steep slopes in the Village.

Just a reminder that as always, no cutting of trees, brush, or any vegetation is allowed within 75' of a waterway in the Village without a permit. The purpose of this is to prevent erosion, filter runoff before it goes to the water, maintain a healthy aquatic ecosystem, and preserve the natural beauty of all the shorelines.

The Village of Chenequa employs 2 foresters that would be more than happy to meet with any resident on site to help out with any tree-related questions that anyone may have.

Village Update

The Village of Chenequa is excited to announce our new Forestry and Public Works employee, Cody Hagfors. He will be working alongside Cody Lincoln, the Village's Forester and Public Works Director.
