Forestry Updates

Wood Chips

Daily forestry operations generate wood chips. These wood chips are available to Village of Chenequa residents. The chips vary in quality depending on the type of brush or small logs which are ground up.

These chips are available intermittently. Please call Village Hall if you are interested in receiving a load of wood chips. If you have recently called and requested wood chips, we already have your contact information on our list.

-Cody Lincoln, Public Works Director

Village Updates
