

Dear fellow Chenequa resident,

June 18, 2012

I'm certain that you, like the rest of us, are devastated by the news of Bonita Zimdars and her diagnosis of Amyotrophic Lateral Sclerosis (ALS). We would all like to do something to help her and her family. We are hindered, by law, from doing much of anything as a government entity; however as individuals of the village we certainly can assist her.

An account has been set up in her name through the Town Bank (at no charge to us) to which residents may donate if they wish. The account is The Bonita Zimdars Trust Account. The account number is 697533. Town Bank's address is 850 W. North Shore Drive, Hartland, WI 53029. This account is in no way affiliated with your village board.

Bonita is hoping to be accepted in a program in Israel, Mexico or perhaps at The Mayo Clinic which may be able to help her. In most cases, these programs are experimental and the expenses to travel and the treatments themselves are the responsibility of the patient and are not covered by medical insurance. Assistance for these expenses is what we are seeking your financial support. The family appreciates all of our prayers. We've asked the staff to keep her progress updated on the Chenequa Village website.

Please feel free to call if you have a question.
