June 2017 Newsletter

## 8 Ways to Recycle Right

With the warmer weather quickly approaching, so is grilling and picnic season. On the behalf of Waukesha County, please keep in mind the importance of recycling correctly!

For any questions or concerns

Please visit the [waukeshacounty.gov/recycling](http://waukeshacounty.gov/recycling) or call 262-896-8300

## Forestry Updates

This summer while you're out enjoying the beautiful weather, you may find yourself inquiring about the trees and shrubbery around your property. Whether you're concerned about the health and aesthetics or just want a non-bias forestry opinion. The Village of Chenequa has a full time Forester on staff who would love to visit your property, and answer whatever questions you may have.

Cody Lincoln,  
Forester/Director of Public Works

## Village Updates

Due to Memorial Day, Garbage collection will be delayed by one day.

**Garbage will be collected on Saturday, June 3rd**

## Police Updates

As most of you already know Erin Hills Golf Course, located in Hartford, will be hosting the 2017 US Open during the week of June 12-18th. Due to the close proximity and vast amount of people planning to attend this event, the Chenequa Police Department would like to remind residents to travel safely on the roadways. A passenger drop-off zone will be set up at Erin School, which is located on Hwy O in Hartford. The school is about a 10-minute walk from the course.

**No parking will be allowed at the school. Hwy 83 will not have access to the Erin Hills Golf Course or any associated events.**

With Chenequa having many privately owned roads and long drives, if you see anything that is out of the ordinary especially during this time, please call us at:

262-367-2145

To speak with an On Duty Officer after regular business hours. Please call dispatch at:

262-367-2600

For more information on the event, please visit:
