Dear Village Residents,

The last two (2) weeks have been a whirlwind for most of us with the many changes and overload of information that is coming at us. Rest assured that the Village of Chenequa is continuing to function fully staffed and rolling with the punches as it relates to COVID-19. We have received numerous inquiries at the Chenequa Police Department lately pertaining to the Wisconsin Governor Tony Evers' Emergency Order #12, Safer at Home Order. Here is a link to the Emergency Order #12 to help clarify any further questions as to what is permitted and what is not; <https://evers.wi.gov/Documents/COVID19/EMO12-SaferAtHome.pdf>.

Everyone would like to go back to life as "normal" ASAP but please note that there is NOT current vaccine for the COVID-19 virus. Unfortunately, there are criminals around the world that are attempting to take advantage of the public at large. That being said, there are no current vaccine kits that can be purchased commercially. If you are contacted by any means, phone solicitation or email, to purchase a vaccine, IT IS A SCAM.

This is a tough time that we are all going through and it is an appropriate time to reach out to family, friends, and neighbors via phone to check on their wellbeing. If you have any serious concerns about a fellow Chenequa resident, please reach out to the police department for assistance.

As a reminder, please check the website, www.chenequa.org for the most up to date information that is available.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel R. Neumer".
