Dear Village Residents,

We have received numerous inquiries at the Chenequa Police Department lately pertaining to the Wisconsin National Guard mobilization. A **RUMOR** is running on social media that the entire nation is going to be locked down for at least one week starting on Monday and that National Guard and Army troops are going to be deployed to stop rioting and looting. The Department of Homeland Security reported this rumor is **FALSE**. The Wisconsin National Guard is posturing forces to ensure it is ready to respond to potential requests for assistance from other state agencies or communities, if that assistance is requested. Thus far, 300 troops have been mobilized to state active duty with the purpose of assisting with healthcare needs.

I would like to assure our residents that the Village of Chenequa Police Department, Village Hall, and LCFR have not sustained any staffing shortages and has been operating as normal. The Village of Chenequa is meeting regularly with Lake Country Fire & Rescue Chief Matthew Fennig to maintain the most current information on COVID-19 with respects to Waukesha County and the communities LCFR services.

As a reminder, please check the website, www.chenequa.org for the most up to date information that is available.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel R. Neumer".
