

Village of Chenequa

Daniel R. Neumer
Administrator/Chief

31275 W County Road K
Chenequa, WI 53029

Posted on March 18, 2020

Dear Village Residents,

We, statewide, experienced several changes yesterday pertaining to the COVID-19 pandemic. We would like to remind everyone that if you are feeling ill and experiencing any of the known symptoms; fever, cough, difficulty breathing, and shortness of breath, please contact your Doctor and follow their advice. Please reserve the 911 lines for emergencies. If you are able to self-transport please strongly consider this option.

The Village of Chenequa has declared a State of Emergency on March 17, 2020, along with the City of Delafield & Village of Nashotah. This declaration follows suit with what our State and County Officials are doing and provides the communities that are serviced by Lake Country Fire & Rescue (LCFR) with the ability to recoup funds such as supplies, personal protective equipment, and labor related costs as we move forward. This is a proactive approach to put the Village of Chenequa in the best position possible moving forward and more cases of COVID-19 are confirmed. Please note that at this time there have been ZERO reported cases of COVID-19 in the Village of Chenequa.

Lastly, please limit travel, your social interactions, maintain your social distance (at least 6 feet), and wash your hands. In order to help control/eliminate the spread of the virus, it has to start with all of us utilizing good judgement for the greater good of our community. Reminder, please check the website, www.chenequa.org for the most up to date information that is distributed.

Sincerely,

A handwritten signature in black ink that reads "Daniel R. Neumer". The signature is fluid and cursive.

Daniel R. Neumer
Village Administrator/Police Chief
