Dear Village Residents,

I am pleased to announce that the Village Hall has been opened up as of today, Wednesday, June 3rd, 2020. My hope is that the Village Hall will remain open but the current health situation will continue to be monitored and if the situation worsens, we will then go back to the Village Hall being secured. If a decision is made to close the Village Hall in the future, notification will be emailed to the residents and posted on the Village of Chenequa website. The Village Hall regular hours of operation are; **Monday – Thursday 8:00am to 4:30pm, Friday 8:00am to 3:00pm.**

We do ask that anyone that enters the Village Hall to utilize the hand sanitizer that is provided upon entry. There are masks available for everyone if you would feel more comfortable and you wish to wear one. Please remember to practice safe social distancing within the Village Hall. I thank you for everyone's understanding and patience over the last three months during these challenging times. We all look forward to seeing everyone again.

Sincerely,

A handwritten signature in black ink that reads "Daniel R. Neumer".
