Chenequa, WI 53029

July 30, 2020

Dear Village Residents,

Due to the continued increases in the percent positive COVID-19 cases and three (3) confirmed cases in the Village of Chenequa, the decision has been made to close the Chenequa Village Hall and Police Lobby to the public. The Village of Chenequa has put into place similar terms of operations to prepare and prevent the spread of COVID-19 as we had in March 2020. Please remember this is an extremely fluid situation, and we will be continually monitoring and communicating any changes as they occur on the Village of Chenequa webpage, www.chenequa.org. **Please note that the Village of Chenequa Police Department and Lake Country Fire & Rescue (LCFR) are available and will continue to be staffed 24/7 as usual along with the normal business hours at the Village Hall.** We request you follow the guidance & recommendations from the Centers of Disease Control (CDC), WI Department of Health Services (DHS) and Waukesha County Public Health for the latest updates statewide/nationwide and precautionary measures pertaining to COVID-19.

The following precautions have been put in place for the Village of Chenequa Village Hall & Police Department and are effective immediately:

- Limited social interactions - face to face meetings, tours, and training room reservations have all been cancelled.
 - Restrict your communications with the Village Hall/Police Department to telephone, email, or mail if applicable.
- Limited in-person access to the Village Hall/Police Department to by appointment only.
 - The Village Hall doors will be locked at all times. **Masks are MANDATORY per WI Governor Tony Evers EMERGENCY ORDER #1.**
- Law Enforcement will continue to no longer be responding to nonlife-threatening medical calls for service unless requested to the scene by LCFR personnel.
- Absentee Voting – Please call ahead so someone can meet you to gain access to the Village Hall or please make an appointment to absentee vote.
 - **Masks are MANDATORY per WI Governor Tony Evers EMERGENCY ORDER #1.**
- Village Board and Planning Commission meetings will continue to be held remotely with public access utilizing the meeting App Zoom.

Please know that these decisions were very difficult to put in place as we thoroughly enjoy seeing our residents on a daily basis, however, these temporary changes are in place to best protect the health, well-being, and safety of all the Village of Chenequa Residents and Employees.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel R. Neumer".
