

# Village of Chenequa

December 2020 Newsletter

Happy Holidays!

**Please be sure to fill out 2021 Snow Plow Agreement and 2021 Dog License Application.**

The Village of Chenequa would like to thank each and every one of you for your support, generosity and patience as we navigated this challenging year. May the holiday spirit be with you and your family today and throughout the New Year.

In the early morning hours of Friday, November 6<sup>th</sup>, 2020, two officers from neighboring jurisdictions were shot while conducting a hit and run investigation in the City of Delafield. Officers from the Hartland and Delafield Police Departments sustained substantial injuries that will impact them for years to come. The Chenequa Police Department was on scene immediately that day to assist the officers who had been shot and were a part of the investigation team that ended with a suspect taken into custody without incident. A fundraiser is being held on December 6<sup>th</sup>, 2020 for the two recovering officers. We invite you to join us.

Collection will be delayed by one day during this time period.

### Security Key Box System

Did you know that the Village Ordinance 5.22 states that "All public structures in the Village and all other structures having an automatic fire or burglar alarm system shall be equipped with a key box system? In addition, all driveway entrances with locking gates shall be equipped with a key box system. The key box system shall be of a type approved by the Village Police Department. The key box shall contain a key to permit access to the structure or driveway entrance by members of the Village Police or Village Fire Departments in an emergency. The key box shall be installed in a conspicuous location approved by the Village Police Department. Key boxes shall be obtained from the Village for a fee, as established from time to time."

*Happy New Year!! May the New Year bring to you warmth of love, and a light to guide your path towards a positive destination! Cheers to 2021!!*
