

Village of Chenequa

March 2021 Newsletter

Remember if you are doing any improvements to your home, you need a permit. You can find information on permits on our website.

House Checks

Just a reminder that if you already have an ongoing House Check and plan on coming home early, or extending your time away, please let the Police Department know so we can adjust our House Check accordingly.

As always, If you are leaving for more than a couple of days, and would like the Police Department to make a daily check of your home. Please call or email us so we may fill out a House Check Form for you.

If you have any questions, please feel free to call the Village Hall at 262-367-2239 or the Police Department at 262-367-2145 or feel free to email: Jodi or Mary at policeclerk@chenequa.org.

Police Department News

Recently, several residents reported receiving written communication from the Bank of Singapore in Hong Kong in regards to the estate of a deceased relative. The letter asks for this communication to remain confidential stating that "no one is informed of this communication."

This is no doubt the language of a scam and please be aware of letters such as this. We commend several Village residents who recognized this as what it is, an elaborate hoax meant to have an unsuspecting victim contact the person writing this letter and sharing personal information and/or money. If you ever have a question about any correspondence you receive, feel free to contact the Chenequa Police Department to discuss prior to falling victim to any scam.

Forestry Updates

Just a reminder that as always, no cutting of trees, brush, or any vegetation is allowed within 75' of a waterway in the Village without a permit. The purpose of this is to prevent erosion, filter runoff before it goes to the water, maintain a healthy aquatic ecosystem, and preserve the natural beauty of all the shorelines.

The Village of Chenequa employs two foresters that would be more than happy to meet with any resident on site to help out with any tree-related questions that anyone may have.

Spring is Coming!

With March ushering in the long-awaited spring in Wisconsin, please continue to be cautious of the constant melting then re-freezing of snow and/or ice on roadways, sidewalks and driveways.

Although it may appear warm out during the day, dropping temperatures at night can cause hazardous conditions so please be careful.
