Thanksgiving – November 25th  
Collection will be delayed by one day.

The Village Hall will be closed  
Thursday, November 25th & Friday,  
November 26th in observance of  
Thanksgiving.

## **Pine Lake Boat Launch is closed November 1 – 20, 2021**

Starting Monday, November 1, 2021, the Pine Lake public boat launch will be closed for maintenance, repairs and improvements. It is estimated that the boat launch will remain closed until Saturday, November 20, 2021. This is only an estimate and could take longer if necessary. During this closure, boat launching or retrieving from the public launch will not be possible. Please check the website at [www.chenequa.org](http://www.chenequa.org) for updates.

## **Forestry Department and Driveway Clearance**

With winter just around the corner, our Forestry Department will likely be out plowing within the next few weeks. It is important to take a detailed look at your driveway and surrounding vegetation to ensure our plow vehicles will be able to adequately serve you. Ordinance 5.23 (Driveway Regulations) requires that foliage must be a minimum of 2' outside the driveway edges with a minimum height of 10' to overhanging foliage. Failure to clear and trim this brush will directly result in damage to emergency response vehicles and plow trucks. If your driveway is not passable with our large equipment, snow plowing services may be temporarily suspended.

Additionally, please remember to install plow markers to delineate the edges of your driveway. Not marking your driveway makes it extremely difficult to locate the driveway boundaries and often results in landscape damage. The Village of Chenequa may not plow your driveway if it is not properly marked.

## **Tax Collection**

Tax bills will be mailed between the last week of November and the first week of December. Only the first installment of tax payments may be made at the Village Hall during normal business hours. Payments received on or before December 31, 2021 at noon will be receipted as a 2021 payment.

Securely pay your bill online using a Visa Debit Card with a fee of \$3.95 or pay with an eCheck with a fee of \$1.50. You will be e-mailed a receipt immediately following your payment. To pay online go to: <https://tax.waukeshacounty.gov>

## **Tax Levy Update**

The proposed 2022 tax levy is \$2,007,184 with a proposed tax rate of \$3.67294431 per thousand (another tax rate decrease.)

## **Tax Scams/Consumer Alerts**

The tax season is upon us. One of the most frequent scams that many unfortunately fall victim to, is one involving subjects posing as IRS representatives. The IRS will NEVER initiate contact with taxpayers via e-mail, text messages or social media channels and will NEVER request personal or financial information.

If an unsolicited communication is received, do not provide any personal information such as: social security number, credit card, or bank account numbers. Additionally, the IRS or any legitimate company, will never ask to pay debts off with gift cards, via Western Union, or anything similar.

Please visit the link below for further information on how to recognize the telltale signs of a scam.

## 2022 Dog License Application

### Why is it **important** to license your dog?

- 1. Identification** - This tag not only identifies your dog to shelter staff or law enforcement officers, it also is linked to a computer database. The database linked to dog license numbers which helps shelter workers handle lost pets. If your dog is wearing its dog license, shelter staff will know your pet's name. This can help a lot when handling a lost, possibly injured pet.
- 2. It's the Law** - All dogs over 5 months old **MUST** be licensed every year. Failure to do so can result in fines over \$100. Section 174.05 of the Wisconsin Statutes and Village of Chenequa Ordinance 8.15(7).
- 3. Funding Animal Cruelty Investigation** - Dog license fees fund the Humane Officer Program which investigates animal cruelty, abuse, and neglect investigations in Waukesha County. Just by licensing your dog, you are helping relieve suffering for many animals!
- 4. Education Programs** - Animal bite prevention programs and humane animal education presentations are also funded by dog license revenues.
- 5. Proof of Rabies** - The Waukesha County dog license serves as proof of rabies in case of bite incidents.

**Please be sure to provide a copy of a current rabies vaccination certificate.**

License cannot be issued without proof of current rabies vaccination.

<b>Owner's Name:</b>	<b>Dog's Name:</b>
	<b>Breed:</b>
<b>Address:</b>	<b>Color/Markings:</b>
<b>Phone Number:</b>	<b>Gender:</b> Male                  Female

Checks can be made payable to the *Village of Chenequa*

## Snow Plowing/Salting Agreement and Release of Liability 2022

By signing this agreement, I request that the Village of Chenequa (together with its employees, agents or contractors referred to as the "Village") perform snow plowing and salting services (the "Services") on my property, at the address set forth below. I agree, personally on my own behalf, and on behalf of any other person whose property is damaged while on my property, to release and waive any claims or causes of action for property damage caused by the Village while providing the Services. I further agree to hold harmless and indemnify and hold the Village harmless against any and all claims resulting from such Services including, without limitation, claims of property damage to my property or the property of any other person which is damaged while such property is located on my property.

The Village's Winter Roadway Maintenance Policy is on the reverse side. The Village offers the Services to all property owners but no property owner is required to use the Village's Services. Property owners who have specific needs or requirements with respect to snow removal or salting (e.g., timing of snow removal) may desire to have such services provided by persons or entities other than the Village.

This Agreement along with the **\$100** fee must be received by the Village Hall by December 30, 2021. **Failure to do so will result in the removal of your address from the Village list for snow plowing and salting services.** This Agreement covers the Services provided from January 1, 2022 through December 31, 2022.

**Driveways must be marked or they will not be plowed. \_\_\_\_\_ (initial)**

**I have read the above and the attached.**

## OUTLINE OF VILLAGE SNOW PLOWING POLICY

Plowing of public and private roads is done as needed to ensure access for emergency vehicles and safe passage for other vehicles.

The plowing and salting of private driveways is a unique service that normally begins when the snowstorm subsides. Driveway plowing is systematically done to provide this service in an efficient and economical manner and it takes between 6 and 12 hours to service the entire Village, depending on the conditions. Vehicles and other obstructions must be removed or a drive will be passed by until it is clear.

### PLOWING SERVICES NOT INCLUDED:

Driveway plowing is intended to provide reasonable access to homes and passage for emergency vehicles but it is not intended to be of the quality that may be available from some commercial services.

The following services are typically not performed by the Village:

- Salting or plowing outbuildings or close to garage doors.
- Clearing sidewalks and walkways.
- The entire width of all driveways.
- Hand shoveling.
- “Clean sweeping” all areas of the driveway.
- Guaranteeing plowing by any particular time of day.

### SUMMARY:

The Village plows private driveways as a supplement to the plowing of the Village roads and streets. This Village has budget and manpower limitations and, as a result, we may not be able to meet all the possible requirements of all Village residents. The Village attempts to provide similar services to all residents who request this service. If you have specific or unique requirements, you may need to contract privately for plowing service.
