

Village of Chenequa

December 2021 Newsletter

Happy Holidays!

Please be sure to fill out 2022 Snow Plow Agreement and 2022 Dog License Application.

We would like to thank each and every one of you for helping to create a world within Chenequa like no other. We count ourselves lucky to have the uniqueness the Village offers and the role that each of you play in it - Thank you.

County Trunk Highway C project is now complete

If you haven't had a chance to stroll through the intersection of CTH C and Hasslinger Drive, please take a moment to do so. The Village planted a total of 52 trees, a mix of Norway spruce, white pine, tamarack, hackberry, swamp white oak, Kentucky coffee tree, quaking aspen and red maple. They also planted 10 dogwood shrubs. Waukesha County filled the gaps between the trees with a pollinator seed mix. A big thank you to Cody Lincoln and Cody Hagfors for their efforts in putting the final touches together with all their tree planting.

Pine Lake Boat Launch Project is now complete

Thank you for your cooperation in getting your boats and piers removed prior to construction. The construction project was a smooth process and the launch is now re-opened for your Pine Lake enjoyment.

Plow Markers and Driveway Clearance

Before a heavy frost sets in the ground, we recommend that if you have not done so already, please take some time to properly mark your driveway boundaries. Inadequate marking makes it difficult for our Highway/Forestry Department to determine where the driveway boundaries are. As a result, extensive turf damage and large missed areas are likely.

If you find that the soil is frozen, we recommend using a large screwdriver and a hammer to make a "pilot hole" in the soil first.

Thank you for your cooperation.

Cody Lincoln and Cody Hagfors

*Holiday Greetings and Best Wishes for a New Year of Happiness in a world of peace.
Cheers to 2022!!*
