

Village of Chenequa

July 2022 Newsletter

Summer has begun!

In May, Chief Neumer read the opening welcome message at the Waukesha County Law Enforcement Memorial which was held at the Fox River Christian Church. Chief Neumer is the current President of the Waukesha County Police Chiefs Association.

Lawn Fertilization & Buffer Zones

There is absolutely no fertilizer allowed within 20 feet of North and Pine Lakes. Lawn fertilizer beyond 20 feet must be phosphorous free. This has been the law since 2008 and you can be ticketed and fined.

Fertilizing within 20 feet of the lake, in addition to being illegal, negatively effects the lake. It causes algae and aquatic plant growth. This also reduces water clarity on the lake you and your neighbors live on. With the cooperation of all lake residents, we can assure a better tomorrow on the lake.

Do you have a poor line of sight?

If you are having difficulties seeing oncoming traffic while pulling out onto Chenequa's main travel corridors due to excessive shrub or tree growth, we can help. Our Highway/Forestry Department will happily remove whatever shrubbery and tree growth necessary to reduce blind spots.

Please email Cody Lincoln at clincoln@chenequa.org with any questions or concerns.

Village Hall will be closed on July 4th in observance of Independence Day. Please call 262-446-5070 to reach an on-duty officer if you need assistance.

4th of July Fireworks

Fireworks will take place at dusk on Monday, July 4, 2022.

During the Fourth of July fireworks, be sure that your boat lights are operating, and you are anchored or moored at least 200 feet away from the island or barge during the fireworks display.

Please be sure to thank the members of the PLYC, BLYC & NLYC for sponsoring the fireworks displays on their respective lakes. We hope everyone has a safe and enjoyable Independence Day!

Reminder for Everyone

There is NO ILLEGAL dumping at the Pine or Beaver Lake Boat Launches.

These locations are monitored by security cameras. Violators are subject to citation and the cost of removal of any illegally dumped items.
