Boating Reminders

Reminder for everyone: all powered boats operating on any public waterway in the State of Wisconsin must have a Wisconsin Certificate of Number (registration) and expiration decals to operate a recreational vessel legally. The Certificate of Number (registration card) must be on board and available for inspection by an enforcement officer whenever the vessel is operated.

The registration number and expiration decals must be displayed as follows:

- Numbers must be placed on each side of the forward half of the vessel.
- Number must be read from left to right.
- Number must be at least 3" high BLOCK letters.
- Numbers must contrast with the color of the vessel and be clearly visible and legible.
- Letters must be separated from the numbers by a space at least two inches wide.
- Decals must be affixed three inches behind (toward the stern) and in line with the number.
- Two-tones and camouflage numbers are not legal and should not be used.

An Honor...

Officer Skerbish was honored this past May with the 2021 Wisconsin Victim Witness Award in the Law Enforcement category. This award was for the life saving assistance he provided to two fellow officers who were shot in Delafield in November of 2020. Well done and thank you Adam!
