Refuse and Recycling Collection – Yard Waste Disposal

Johns Disposal Service (262) 473-4700 | office@johnsdisposal.com

We recently learned that Johns Disposal offers yard waste disposal to the Village of Chenequa residents.

The yard waste can be dumped at their Whitewater facility. They have a yard waste dumpster at the front of their building located at 105 County Road U, Whitewater, WI 53190.

Hours are: Monday through Friday 8am – 4:30pm.

The drop off is closed on weekends and holidays but is open seasonally from spring through fall. They usually end the season at the first snowfall.

Yard waste should be "pure" with NO plastic, wire or twine/ tap. Compostable paper bags ARE accepted. Compostable plastic bags are NOT accepted by Johns because they are not accepted at compost sites.

Trailer loads are NOT accepted and contractors are NOT to dump at their facility.
