Getting Ready for Fall

Because of the Labor Day Holiday, Johns Disposal will be delayed by one day.

Bow Hunting in the Village

•••

Beginning on September 14, bow hunting begins in Wisconsin. If you are allowing anyone to bow hunt on your property, please have a Permission to Hunt form filled out. You can find the form on our website: <https://chenequa.org/wp-content/uploads/2023/02/Bow-Hunt-With-Rules-Fillable.pdf>.

If you have a Permission to Hunt form on file, please make sure your form is up to date. You may contact us at policeclerk@chenequa.org for any changes or to submit a new form.

Please visit: <https://dnr.wisconsin.gov/topic/hunt/regulations> for hunting regulations and hours in our area.

Does Your Driveway Meet Emergency Standards?

•••

Next time you drive down your driveway, please take a moment to look at the surrounding vegetation. Spring and summer rains have resulted in excessive growth and has caused many driveways to begin to "tunnel in." In the event of an emergency, all driveways need to be large enough to support an emergency vehicle. This means that brush and tree limbs must be cleared to allow for a 12' wide x 12' high opening. Failure to do this can result in slower response times and damaged emergency equipment.

Additionally, please be mindful of the condition of your pavement. Driveways that are cracked or developing potholes are extremely taxing on the village plow equipment and should be considered for repair or replacement.

Johns Disposal Reminders

(262) 473-4700

•••

1. Garbage collection is weekly, on Fridays. Please put your garbage cans (must be 32 gallons or less) out the night before your collection day; or by 7:00am the morning of pick-up.
2. DO NOT park cars in front of trash and recycling.
3. Cardboard boxes must be empty and flattened.
4. DO NOT put yard waste in the garbage.
5. Contact Johns Disposal:
 - a. For special pick-ups.
 - b. For missed pick-ups.
 - c. For extended vacations or seasonal service. (4 weeks or more).
