June 2, 2025

Dear Chenequa Residents:

It is with great pleasure that I officially announce my retirement from the Village of Chenequa. My last day of employment as your Police Chief and Village Administrator is June 19, 2025.

I started my career 31 years ago in Law Enforcement. In 2012, I was fortunate to come to the Village of Chenequa as Police Sergeant. In 2019, I was promoted to Police Chief/ Village Administrator for the Village of Chenequa. The last 18 years, I was also a Firearms/ Use of Force Instructor at WCTC in the Law Enforcement Division and attended the FBI National Academy, Session 259 in 2015.

Unfortunately, all good things must come to an end. I wanted to take this moment to thank you for this amazing experience I was given working with you here in the great Village of Chenequa. I have learned, grown, and appreciated this opportunity. Learning the history of Chenequa and seeing the residents want to preserve the beauty has been appreciated and motivating as we share this common goal.

I truly loved my time here, and I cherish all the relationships I have made along the way. I know the Village is in good hands and will continue its preservation efforts and serve the residents of Chenequa for a long time to come.

I will continue to be in the area as my next adventure begins. Thank you for the opportunity, it has been a remarkable journey.

Best Wishes,

Dan Neumer  
Former, Police Chief/ Village Administrator
