Dear Residents,

One of the true joys of serving as your Police Captain is hearing directly from you during our board and committee meetings. Recently, several of you shared how much you appreciate seeing our squads cruising down your driveways – it's a simple gesture that speaks volumes about the personalized, relationship-driven policing that makes Chenequa so special.

In most places, a patrol car only turns into a driveway for a specific call. But here in Chenequa, it's our tradition and your expectation – and we love it! Those quick drive-bys not only provide an extra layer of security but also help us build those invaluable connections with you, our neighbors.

To keep this cornerstone of service, our officers are recommitting to patrolling those driveways up to your homes whenever possible. They will wave hello if you're out and about, chat about the day's happenings, and stay attuned to the familiar sights – like your regular vehicles, ongoing landscaping projects, or trusted caretakers buzzing around.

Your feedback inspires us every day, and we are grateful for the partnership that keeps Chenequa safe. See you around the neighborhood!

Captain Michael Anderson

Tax Collection

Per State Statutes, tax bills must be mailed by December 15th. Please watch the Waukesha County website to see if tax bills are posted prior to them being mailed. <https://tax.waukeshacounty.gov/>

Only the first installment or full payment of your tax bills may be made at the Village Hall during normal business hours. Payments received on or before December 31st, 2025 at noon will be receipted as a 2025 payment.

Payments can be made at the Village Hall, Monday through Thursday, 8:00 am to 4:30 pm and on Fridays from 8:00 am to 3:00 pm. You may also mail your payment to the Village Hall: 31275 W County Road K, Chenequa, WI 53029. Please mail several days early to avoid postal delay.

Village Tax Levy Update

The proposed 2025 tax levy is \$2,019,247 with a proposed tax rate of \$2.6934509 per thousand (a decline from last year's rate of \$2.92.)

This tax rate is for the Village tax portion only.

To fund the Village of Chenequa's portion of the Lake Country Fire and Rescue service, there is a proposed special charge of \$711 per each property with a structure (improved parcel). The proposed special charge will print in the "Other" section of the tax bills.

Snow Plowing/Salting Agreement and Release of Liability 2026

By signing this agreement, I request that the Village of Chenequa (together with its employees, agents or contractors referred to as the "Village") perform snow plowing and salting services (the "Services") on my property, at the address set forth below. I agree, personally on my own behalf, and on behalf of any other person whose property is damaged while on my property, to release and waive any claims or causes of action for property damage caused by the Village while providing the Services. I further agree to hold harmless and indemnify and hold the Village harmless against any and all claims resulting from such Services including, without limitation, claims of property damage to my property or the property of any other person which is damaged while such property is located on my property.

The Village's Winter Roadway Maintenance Policy is on the reverse side. The Village offers the Services to all property owners but no property owner is required to use the Village's Services. Property owners who have specific needs or requirements with respect to snow removal or salting (e.g., timing of snow removal) may desire to have such services provided by persons or entities other than the Village.

This Agreement along with the **\$200** fee must be received by the Village Hall by December 30, 2025. **Failure to do so will result in the removal of your address from the Village list for snow plowing and salting services.** This Agreement covers the Services provided from January 1, 2026 through December 31, 2026.

OUTLINE OF VILLAGE SNOW PLOWING POLICY

Plowing of public and private roads is done as needed to ensure access for emergency vehicles and safe passage for other vehicles.

The plowing and salting of private driveways is a unique service that normally begins when the snowstorm subsides. Driveway plowing is systematically done to provide this service in an efficient and economical manner and it takes between 6 and 12 hours to service the entire Village, depending on the conditions. Vehicles and other obstructions must be removed or a drive will be passed by until it is clear.

PLOWING SERVICES NOT INCLUDED:

Driveway plowing is intended to provide reasonable access to homes and passage for emergency vehicles but it is not intended to be of the quality that may be available from some commercial services.

The following services are typically not performed by the Village:

- Salting or plowing outbuildings or close to garage doors.
- Clearing sidewalks and walkways.
- The entire width of all driveways.
- Hand shoveling.
- “Clean sweeping” all areas of the driveway.
- Guaranteeing plowing by any particular time of day.

SUMMARY:

The Village plows private driveways as a supplement to the plowing of the Village roads and streets. This Village has budget and manpower limitations and, as a result, we may not be able to meet all the possible requirements of all Village residents. The Village attempts to provide similar services to all residents who request this service. If you have specific or unique requirements, you may need to contract privately for plowing service.
