Open book shall occur no less than 7 days prior to the Board of Review.
2. The Board of Review may not hear an objection to the amount of valuation of property unless, at least 48 hours before the Board of Review's first scheduled meeting, the objector provides to the Board of Review Clerk written or oral notice of an intent to file an objection, except that upon a showing of goof cause and the submission of a written objection, the Board of Review shall waive that requirement during the first 2 hours of the Board of Review's first scheduled meeting, and the Board of Review may waive that requirement up to the end of the 5th day of the session, or up to the end of the final day of the session if the session is less than 6 days, with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the Board of Review during the first 2 hours of the first scheduled meeting.

The Board of Review may require objections to the amount or valuation of property to be submitted on forms approved by the Wisconsin Department of Revenue, and the Board of Review shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may be object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the Board of Review in support of the objections and made full disclosure before the Board of Review, under oath, of all that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the Board.

4. When appearing before the Board of Review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information used to arrive at that estimate.
