Why is it **important** to license your dog?

1. **Identification** - This tag not only identifies your dog to shelter staff or law enforcement officers; it also is linked to a computer database. The database linked to dog license numbers which helps shelter workers handle lost pets. If your dog is wearing its dog license, shelter staff will know your pet's name. This can help a lot when handling a lost, possibly injured pet.
2. **It's the Law** - All dogs over 5 months old **MUST** be licensed every year. Failure to do so can result in fines over \$100. Section 174.05 of the Wisconsin Statutes and Village of Chenequa Ordinance 8.15(7).
3. **Funding Animal Cruelty Investigation** - Dog license fees fund the Humane Officer Program which investigates animal cruelty, abuse, and neglect investigations in Waukesha County. Just by licensing your dog, you are helping relieve suffering for many animals!
4. **Education Programs** - Animal bite prevention programs and humane animal education presentations are also funded by dog license revenues.
5. **Proof of Rabies** - The Waukesha County dog license serves as proof of rabies in case of bite incidents.

Please be sure to provide a copy of a current rabies vaccination certificate.

License cannot be issued without proof of current rabies vaccination.
