The officer from whom the appeal is taken shall forthwith transmit to the Board of Appeals all the papers constituting the record upon which the action appealed from was taken.

Such appeal shall stay all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the Board of Appeals after the notice of appeal shall have been filed with such officer, that by reason of facts stated in said certificate a stay would in such officer's opinion cause imminent peril to life or property, in which case proceedings shall not be stayed, otherwise than by a restraining order which shall be granted by the Board of Appeals, or by a court of competent jurisdiction on application, on notice to the officer from whom the appeal is taken and on due cause shown.

Such action must be commenced or such petition must be presented to such court within thirty days after the filing of the decision in the office of the Board.

Upon commencement of such action or presentation of such petition, said judge or court may allow a writ of certiorari directed to the Board of Appeals to review such decision of the

Board of Appeals, which shall prescribe therein the time within which a return thereto must be made and served upon the relator or such relator's attorney, which shall not be less than ten (10) days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from but the court may, upon application, upon notice to the Board of Appeals and on due cause shown, grant a restraining order.

The Board of Appeals shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return must concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from, and must be verified.

Said court may take evidence or appoint a referee to take such evidence as it may direct, and report the same to the court with such referee's findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made.
